

## Spring Tanks

SI Precast Concrete spring tanks are manufactured from 5,000# psi concrete with tapered sides for added strength and freeze resistance.

Our concrete water tanks are low maintenance and provide fresh water for your livestock.

***Great for pond or spring development!***

Gallons	Stock Number	Length	Height	Wall Thickness	Bottom Thickness	Weight
200	724130	84"	26"	4"	4"	2,750
300	724140	83"	27"	4"	4"	3,000
